HAVE YOU READ ARLO BATES'S NOVEL "A LAD'S LOVE"

Hampton, the hero, falls in love with a pretty widow, who has a daughter old snough to "fall in love" on her own account. "Now guess whom it was that Hampton married. It sounds foolish, doesn't it! But have not other people been through some experience which, if coldly rehearsed, would appear just as silv! Mr. Bates's book contains much good observation, worthy of a higher aim. But the public deem't want a higher aun. It may awallow 'A Lad's Love' with per-fect safety and comfort, just as it would absorb a juley hucklevery. The berry is succulent and refreshing and the needful amount of sugar is supplied by the author gratis. It furnishes an excellent article of summer diet."
